

Biddeford Saco Old Orchard Beach Transit is a quasi-municipal urban transit system operating and maintaining several different fleets ranging from coaches, transit buses, trolleys, cutaways, school buses and vans.

Diesel Mechanic/Technician is needed for a growing transit bus company located in Biddeford, Maine. We are looking for an experienced and motivated mechanic to join our fleet services team. Applicant needs experience in HVAC, electrical, air systems, brakes, diesel engines, suspension, body work, corrosion repair and tires required. Class B commercial driver's license with passenger endorsement, Maine State Inspection License for commercial vehicles and school bus. Benefits for this full-time position include: Paid holidays, vacation, sick/earned leave, health, dental, vision & life insurance, short term disability insurance, and 457-deferred compensation plan available. Salary Range \$24.00 to \$29.00 per hour dependent on experience.

Job Description

Responsibilities of Diesel Mechanic include:

- Performing regularly scheduled periodical maintenance, including all preventative maintenance services, monthly and annual inspections on a fleet of transit, school, and trolley buses
- Ability to diagnose and repair mechanical, electrical, and engine defects in buses and other automobile equipment
- Ability to repair on-road vehicle failures
- Maintain accurate records
- Work independently and under the direction of shop foreman.

Job Requirements for Diesel Mechanic/Technician:

- 5 + years of diesel mechanic experience
- Experienced in diesel engine and electrical repair preferred
- Technical knowledge of major vehicle systems and diesel equipment
- Must be a quick learner with the ability to work well with others
- Must have a clean driving record with the ability to pass and maintain, employment drug screening, physical, and background check
- Must be able to lift 50 lbs.
