# Purpose

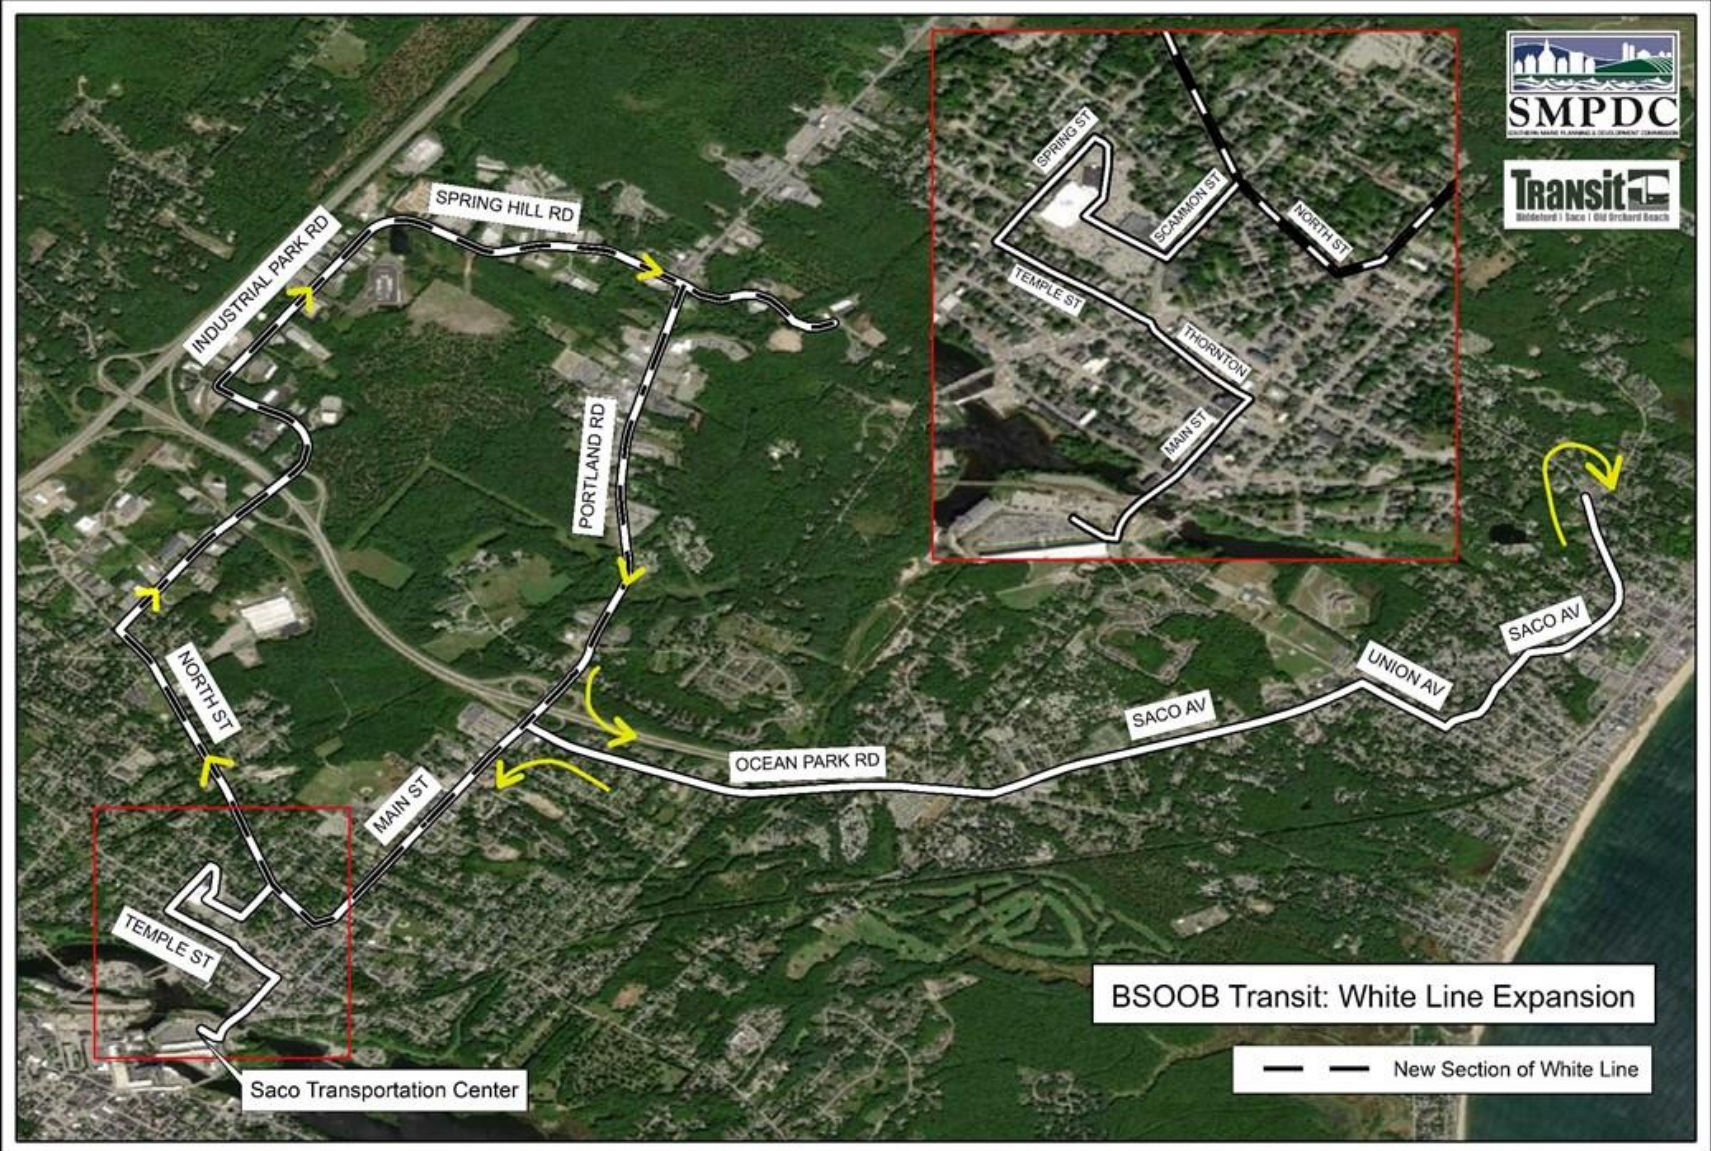

The purpose of this public input session is to announce proposed enhancements to the Blue and White Lines that incorporate the previous Maroon Line route and stops.

**We are very interested in your comments and feedback!**

# White Line Changes

The White Line will service all the stops previously serviced by the Maroon Line except the Exit 36 Park & Ride which is still serviced by ZOOM Express.

- From the Saco Transportation Center the line will continue to service the **Saco Valley Shopping Center**
- Turn left onto North Street from Scammon Street. Stops on North Street at **Roebuck Ave** and at **General Dynamics**
- Turn right onto Industrial Park Road. At Route 1\*\*, we will turn right and service RT 1 southbound to the Ocean Park Road intersection with stops at **Funtown, Wagon Wheel Hotel and Ross Road/SMHC Clinic.**
- If there is customer interest, we can service **Mill Brook Business Park**
- The White Line will then continue on its normal route along Saco Ave to the Cascade Plaza. We will turn right onto Miles, then right onto Portland St, and back onto Saco Ave back to the Saco Transportation Center.

**BSOOB Transit: White Line Expansion**

— New Section of White Line

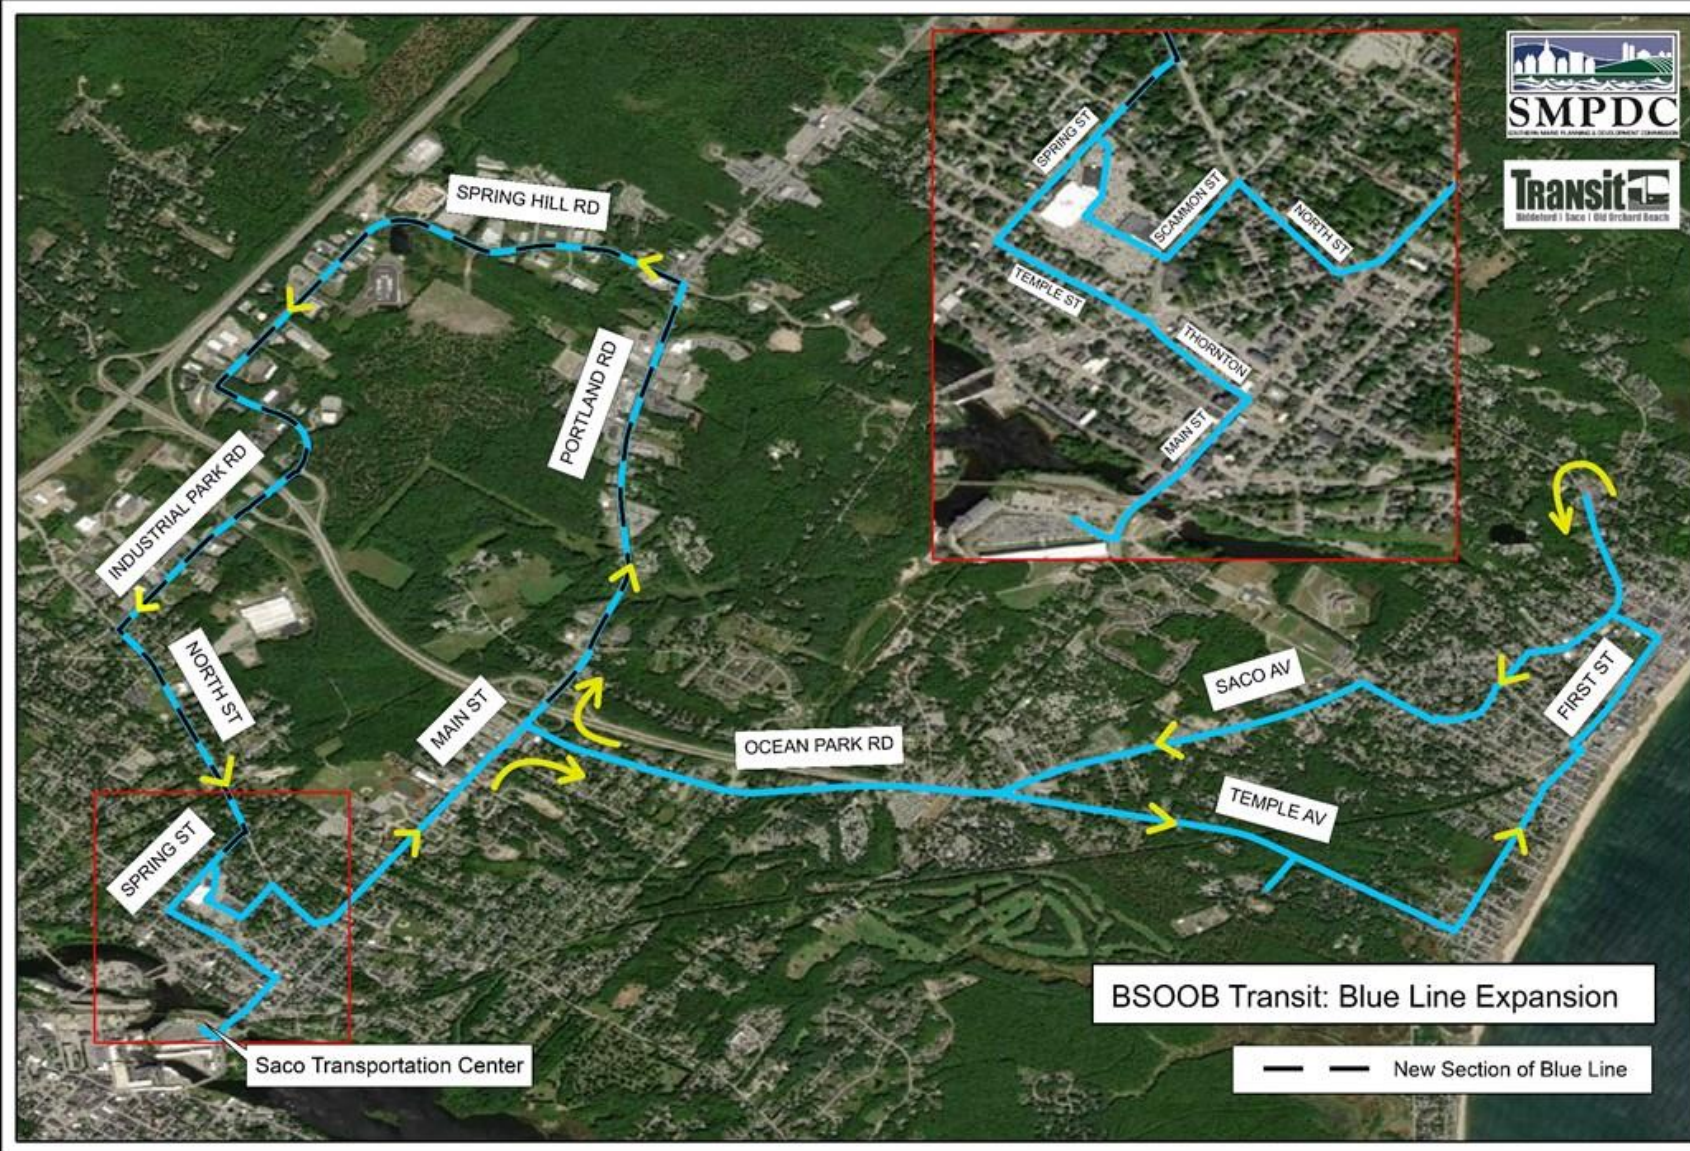

Saco Transportation Center

# Blue Line Changes

Changes to our Blue Line will begin as the bus returns to the intersection of Ocean Park Road and Route 1.

- The bus will turn right onto Route 1, with stops at Ross Road/SMHC Clinic and the area around Irving, Otto's and Prime Toyota.
- We will turn left onto Industrial Park Road and service stops at KOA, Willey Road, Casco Bay Steel, Zajak, Beacon, Xuron, Hampton Inn, Dertex and Lehner Road.
- We will turn left onto North St and right onto Spring St to return to our normal route back to the Saco Transportation Center.

**BSOOB Transit: Blue Line Expansion**

— — New Section of Blue Line

Saco Transportation Center

# Other Important Changes

To accomplish this enhancement, we propose to eliminate the seasonal White Line service on Old Orchard Street and East Grand Ave to Pine Point, Scarborough, returning to Walnut St to the Cascade Plaza.

Currently, we have very limited ridership in this area. The area will continue to be serviced seasonally by our trolley service.

Initial plans for the proposed changes are to be implemented on or near **April 19, 2021.**

# Questions or Comments

Comments can be sent in writing to:

**Craig A. Pendleton, Director of External Affairs**

13 Pomerleau St. Biddeford, ME 04005
