

## **Reduction of Operating Hours**

Effective Saturday, July 24th Camp Ellis/OOB2 red line will have the following changes:

**Sunday through Wednesday 2:00pm-9:00pm**

**Thursday through Saturday 2:00pm-10:00pm**

It is with deep regret that we have been forced to take this necessary action.

The Post-Pandemic labor shortage has created difficulty finding highly qualified drivers that we desire and you deserve.

Serious consideration was taken in making this decision.

We still want to provide you with the excellent service you are accustomed to. During the day enjoy the gorgeous beaches and mid-afternoon to evening take a ride downtown to Old Orchard Beach.

Thank you for your patience and understanding
