

Invitation to Bid

Supply Ultra-Low Sulfur Diesel Fuel

The Biddeford-Saco-Old Orchard Beach Transit Committee (BSOOB) is seeking bid prices to supply ultra-low sulfur diesel fuel to meet its needs for the approximate period from June 1st, 2025, to June 1st, 2026.

Sealed proposals are **due by 3:00 pm on Thursday March 20, 2025**, at the BSOOB Office, 13 Pomerleau St., Biddeford, Maine 04005 at which time they will be publicly opened and read in the conference area of the BSOOB Office. Bidders or their representatives may be present.

Ultra-low Sulfur Diesel Fuel Bid

Biddeford-Saco-Old Orchard Beach Transit is seeking bid proposals from qualified suppliers to provide the sale and delivery of ultra-low sulfur diesel fuel to its facility located at 13 Pomerleau Street, Biddeford, Maine.

This bid proposal package consists of General Requirements, Specifications and Estimated Needs, Contract and Bid Forms.

All bids shall be submitted on the Proposal Forms included with this bid document. Bids can be submitted in the following ways:

- a. Bids can be mailed or hand delivered in a sealed envelope to the BSOOB office, 13 Pomerleau St., Biddeford, ME 04005. (Bids will NOT be accepted via fax.)
- b. Bids can be emailed to tmilashouskas@bsoobtransit.org with either a request to confirm receipt via email or a “read receipt” attached to the email submission.

Bids will be opened at **3:00 pm on Thursday March 20, 2025** in the Conference Room at the BSOOB office, 13 Pomerleau St., Biddeford, Maine.

PLEASE READ ALL SPECIFICATIONS AND REQUIREMENTS OF THIS BID CAREFULLY AS CHANGES, ADDITIONS OR DELETIONS TO THIS BID MAY HAVE BEEN MADE.

BSOOB ASSUMES NO RESPONSIBILITY FOR BIDDERS’ MISUNDERSTANDING OF THE REQUIREMENTS OF THIS BID.

General Requirements, Specifications and Estimated Needs

1. Intent to Bid

An “Intent to Bid” form is included with this bid package. Please return this form upon receipt to indicate whether or not your firm will be bidding.

2. Submission of Bids

Bids must be submitted on the forms included with this bid package. Only bid forms and signature pages should be returned.

Bidders should understand that the submission of a bid represents an offer that may be accepted in part or in whole by BSOOB. The acceptance of a bid either in part or in whole constitutes the formation of a Contract.

A bid may not be withdrawn after the date and time of bid opening and no bids will be accepted after the deadline.

Bids can be mailed or hand delivered in a sealed envelope to the BSOOB office, 13 Pomerleau St., Biddeford, ME 04005. Bids will NOT be accepted via fax.

Bids can also be emailed to tmilashouskas@bsoobtransit.org with either a request to confirm receipt via email or a “read receipt” attached to the email submission.

3. Product Requirements

For the duration of this bid **except as noted below concerning an altered blend for winter use,** Contractor shall sell and deliver first grade ultra-low sulfur diesel fuel for use in over the road vehicles. Delivery shall be to BSOOB’s premises. All product sold or delivered by Contractor shall comply with all Federal, State and local statutes, regulation, ordinances and rules.

For deliveries made between November 15th, 2025 and February 28th, 2026, Contractor shall sell and deliver a blend of the product specified in the previous paragraph and kerosene. The blend ratio shall be 80% diesel and 20% kerosene. Winter grade diesel (-18 f Canada -16 f USA) through the Hydro treating refining process by running a defined diesel stream through the unit, the unit dewaxes the product to decrease the cloud point/Pour point of the diesel product to meet Industry requirements. Will be accepted.

Delivery and compliance requirement remain the same. Further, BSOOB reserves the right to alter the period and/or the blend ratio, depending on the severity of the winter. Such alterations shall be made in consultation between the parties, with resultant price alterations to be agreed at that time.

4. Needs of BSOOB

BSOOB uses approximately 80,000 gallons of ultra-low sulfur diesel fuel per year. It has one (1) 10,000-gallon tank, located underground in the bus storage area of its front yard.

5. Supply of Product

BSOOB shall notify Contractor when it requires delivery of product, with a minimum of two (2) day notice. It is BSOOB’s standard procedure to request deliveries of 8,000 gallons each, but circumstances may occasionally cause deviation from that amount. Should Contractor not deliver product as required and BSOOB is required to obtain the same product or a substitute product from another vendor, all costs incurred by BSOOB related to its efforts to obtain the product or its substitute from another vendor that exceed the contract price shall be paid by Contractor, including costs and reasonable attorneys’ fees incurred by BSOOB to collect the difference.

6. Information and Service Requirements

With delivery of a product for the first time, Contractor shall also provide all material data safety sheets for the product, a copy of all the manufacturers’ warranties with the product and the manufacturer’s specifications.

7. Contractor Qualifications

Contractors will have a minimum of two years of directly related experience, must be able to demonstrate the ability to supply the quantities required in this bid, and will furnish a list of references if so, requested by BSOOB.

8. Prices

BSOOB is seeking offers to obtain the most favorable prices. Contractors shall include in their offers all discounts, trade or otherwise. Prices shall be exclusive of all federal and state taxes but shall include any applicable federal and state surcharges and fees at the rates in effect at time of bid opening, including but not limited to: Fed Oil Spill Recovery Fee, Fed LUST Tax, ME Cstl Inland Surf Oil Fee and ME Ground Water Fee. These items may be listed separately but must be included in the total cost per gallon bid. No change in price will be acceptable to BSOOB during the performance of the Contract(s), EXCEPT in the case of governmental addition or change to any fees or surcharges, in which case, Contractor(s) must notify BSOOB and may pass along to BSOOB any such changes, without markup by Contractor(s).

BSOOB desires to place a fixed price contract(s) for (80,000-gallon) requirement of the item included in this bid but is aware that the market for such items is volatile. Therefore, bidders shall base the prices bid on the best price that would be offered at the opening of business on **Monday March 17, 2025**. Use of a standard market time will be used by BSOOB to determine the lowest responsible bidder(s) for award of the Contract(s). Then, BSOOB will obtain the current best price from the lowest responsible Contractor(s) and execute the award(s) for the required quantities.

9. Insurance

Contractors shall be required to have during the full term of this contract adequate insurance to ensure that BSOOB is protected from all liability and damage, whether willful or not, resulting from negligence, error of omission on the part of Contractor of any subcontractor engaged by Contractor. Such coverage may include, but shall not be limited to, Workers Compensation, Employer Liability, Product Liability, Comprehensive and Property Damage.

10. Bid Award(s)

Bid awards are made on the basis of a combination of considerations – price, service, vendor reputation, prior performance, if applicable, and ability to meet the terms of this Contract. Bidders should understand that although price is an important consideration, it is not the sole determining factor in making any bid award.

BSOOB reserves the right to accept or reject any or all offers, cancel the request for offers and to submit another request for offers, whichever is in its best interest.

11. Subletting

Contractors shall not assign, transfer, convey, sublet or otherwise dispose of its Contract or its right, title, or interest therein to any other person, firm or corporation without prior written of BSOOB. In no case shall any such consent relieve the Contractor from its obligations or change any of the terms of the Contract.

12. Bid Performance

Contractor agrees to bear all costs incurred by BSOOB arising from the failure of Contractor through omission or commission to comply with all Federal, State and local statutes, regulations, ordinances or rules. Contractor further agrees to hold BSOOB harmless and to indemnify

BSOOB for these costs as well as all costs of collection, including but not limited to reasonable attorneys' fees.

If Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of this Contract, BSOOB may terminate Contract by written notice to Contractor. The notice shall specify the acts of omissions relied on as cause for termination. BSOOB shall pay Contractor fair, equitable compensation for satisfactory performance prior to receipt of notice of termination less the amount of damages caused by Contractor's breach. If the damages are more than the compensation payable to Contractor, Contractor will remain liable after termination and BSOOB may collect damages, including costs of collection and reasonable attorney's fees.

13. Equal Opportunity

BSOOB is an equal opportunity employer and shall not discriminate against an applicant as to race, creed, age, sex, sexual preference, disability, national origin, religion, veteran status, political affiliation or any other basis prohibited by law. Vendors and contractors or their agents doing business with BSOOB shall not violate the above clause or the Civil Rights Act of 1964. Violations by vendors shall be reviewed on a case-by-case basis and may mean an automatic breach of contract.

BSOOB has adopted a Minority Business Enterprise DBE/WBE Program. This program establishes a goal for DBE/WBE participation in BSOOB's total procurements.

14. Federal Transit Administration Clauses

Federal Transit Administration Clauses relevant to the procurement of materials and supplies are hereby incorporated into this specification by reference. Please see Appendix A for a listing of those clauses.

Bidders are required to submit written or printed proposals on the accompanying form(s), signed by a person empowered to make all authorized decisions on behalf of the Bidder.

15. Additional Information

Bidders needing more information than is found in these specifications should contact:
